Yours of the 14th

received would say that I
did not expect such a beautiful
catalogue as the Mills, I had not
seen it when I wrote you

What I meant was that my
collection would number several
hundred ^{than the Mills} more, and would make
up a good catalogue of it self
with out putting it in with some
other as you suggested in one
of your previous letters

You must remember you have
not seen my catalogue for the
last 10 years and I am happy

come from London to California

Will send them on to you some
time before long I hope to receive
a good sum which I am very
much in need of at the present

Your telegram and letter received, and in reply, would say I was hoping the collection would net more but I feel assured you have done all in your power to make it the success that it is and I am more than pleased with your efforts.

In regards to the small white envelope enclosed it was like those I sent you and I also sent you an 1802 - 1/4 Eagle.

In regards to the other 1/4 Eagles and other coins not sold, would be pleased to have you return them, if not too much trouble, at my expense.

Again thanking you for your many favors, I remain,

Friend Chapman

The box of
coins reached me yesterday
morning and I have selected
the following 18¢ 2, which
by the way you said I could
have for less than twenty dollars
180.7, 8, 14, 15, 16, 20 and 21

The other colonial, I have
in my collection, the Bal. Sixpence
improves the one I have but my
Carolina Cent is very much finer
specimen than the one you sent.
I bought it of Mr Parmelee some
years ago. I have quite a number
of fine pieces which I will send
you and will leave the price

to your good selves for
settlement

My intentions now are to
confine my collecting to
Colonials, Patterns and
Hard time tokens and
am ready to purchase any
not in my collection. I
have an offer of 250. \$
for the Hard times and
think that fully as much
as I could realize if
sold at auction, what-
say you? The following
are the Nos I lack 2, 24,

Mr. R. R. Barker,

Dear Sir:-

We have and can send you on approval if you desire, New York, 1787 Non Vi Virtute Vici, very good condition, slight irregularity in planchet on edge, price \$50. Are there any other coins you would like to see on approval? With reference to the No. 100 in last invoice, the St. Louis half and quarter which you say was not in the parcel, may we ask, was the envelope there without the coins, or was the envelope missing also? We have been trying to find these pieces ~~as~~ as yet have not succeeded. Kindly advise us and oblige.

Yours respectfully,

S. H. & H. Chapman
